UNIVERSITY OF CALIFORNIA

LL.M. Degree Program

CERTIFICATE OF SPECIALIZATION IN ENERGY AND ENVIRONMENTAL LAW

SUMMER 2016

Berkeley Law is pleased to offer a Certificate of Specialization in Energy and Environmental Law for non-degree students. Certificate courses are part of our LL.M. professional track and taught by our renowned Berkeley Law faculty.

Courses

- Environmental Law (3 units): June 15 - July 1
 - International Environmental Law (1 unit): July 7 - 12
 - Energy Law (2 units): July 13 - 22
- *Courses are \$1200 per unit.

Certificate of Specialization

- *Courses may be taken individually, or in sequence to receive a certificate.*
- To receive a certificate, all 3 courses must be taken in sequential order, over the summer.
- These courses are non-degree and cannot be used towards a degree program.

Eligibility

- Applicants must have experience or a demonstrated interest in the Energy or Environmental Law fields.
